SCHOOL AGREEMENT

_____ agrees to the following beginning 20 __ - __ school year:
Typed or Printed School Name

- Implement the Second Chance program as a consequence and/or alternative to suspension for all tobacco policy violations, including electronic nicotine devices.
- Maintain a Second Chance Program Administrator on staff to enroll students in the Second Chance program as an alternative to suspension and/or another punitive consequence or for youth education on tobacco or other nicotine products.
- Review district policy and school-level practices as they relate to tobacco and other nicotine product use, specifically related to violations and consequences.
- Assure and verify that all enrolled students complete the entire Second Chance program.
- Complete an annual evaluation (interview or survey) on the implementation of Second Chance.
- Participate, as needed, in training opportunities to learn more about tobacco-free schools policies and practices.
- Maintain monthly contact with RMC Health project staff.

RMC Health agrees to the following:

- Provide training, technical assistance, and resources to Second Chance Program Administrators to ensure successful implementation and evaluation of the Second Chance program.
- Provide model tobacco policies, resources, and guidance that support effective policies to reduce youth tobacco and other nicotine product use.
- Provide resources to support students' tobacco and other nicotine product cessation efforts.
- Provide resources to support parent education about youth use of tobacco and other nicotine products.
- Develop and disseminate communication messages to support tobacco-free school policies.
- Develop and disseminate non-punitive and alternatives to suspension enforcement strategies for tobacco-free school policies.
- Maintain monthly contact with Second Chance Administrators.
